

2013 Colt Starting Challenge

On Saturday, October 19, 2013, SEFHA will host their 3rd Annual Colt Starting Challenge. This contest features full-time horse trainer teams who work within a three-hour radius of Chatham, VA. While demonstrating natural horsemanship training, these professionals will take unbroken horses they have never seen before and transform them into relaxed, confident mounts. At the end of the day, the trainers and their equine "students" will compete in an obstacle course to determine the winner of the Colt Starting Challenge.

The Third Annual Colt Starting Challenge is recognized as the biggest and best competition of its kind in the region. Anyone with an interest in Natural Horsemanship will be mesmerized by the talents of these three trainer teams, and horse owners looking for a quality trainer will see three teams of the best put their reputations on the line.
