David Tuggle, President called meeting to order.

We had a great time at Reggie Meade's Farm at the Helping Hands Clinic and walked away with some helpful hints and new training tips and tricks to continue with our horses. Thank you Reggie and Carol for hosting such a great event. Thank you David for challenging each of us with new activities!

For the month of May, SEFHA members have been logging the hours spent with their horses and collecting donations for the St Jude Children's Hospital. For every \$20 donated, a ticket is entered into a drawing, in that individual's name, for the chance to win a horse quilt donated by Cheryl Tuggle. The drawing will take place at the June meeting. Also, the person that logs the most hours with their horse will win a prize and the person that collects the most donations will win a prize.

The Taylor McIntosh clinic will be held at the Averett University Equestrian Center June 15-16, 2019. Members can participate for \$200 and Non-Members \$250. If you are interested

in participating you can email SEFHA at sefha1@gmail.com. You may audit the event for \$15. Lunch will be provided. We will be having a potluck meal so please bring a side dish and/or dessert. Stalls are available for your horses for \$10 per day. You will need to bring your own water and feed buckets. We had a great time last year and are looking forward to this year's event.
