Larry Collie opened the meeting with a word of prayer.

David Tuggle called meeting to order. Discussion began with what a success the Colt Starting Challenge was this year! We had such a great team come together and really pull off a fantastic event. A special thank you to Lizzie Kendig and Bailee and JessiAnn Noel for their hard work making bracelets to raise money for the St Jude Children's Hospital. They raised over \$100 in donations! Great job ladies!

May 2, 2020 SEFHA will host a Helping Hands Clinic exclusively for members at Tuggle Farm, 5392 Old Richmond Rd Danville, VA 24540. To become a member you can visit our website <http://www.sefha.net/aboutmembership.html> or you can become a member the day of the event. See Libby Killian, membership coordinator. The clinic will begin at 10:00 AM. Bring your horse to join in the fun and learning or come and audit and fellowship with fellow horseman. We will be having a hotdog lunch following the clinic. Members are asked to bring a side dish and/or dessert.

During the month of May we will be having a contest to raise money for the St Jude Children's Hospital. You log the hours spent with your horse (excludes feeding time-It must be actual horsemanship activity) and you collect sponsorship donations. 2 prizes will be given at the conclusion of the contest. The horseman with the most money collected will win a prize and the horseman with the most hours spent with their horse will win a prize. The last 2 years in a row we have collected over \$1000.

During the month of June SEFHA will be hosting another horsemanship clinic. We are taking recommendations at this point as to which clinician we would like to have. Some of our past clinicians have been Whitney Sewell, Mark Noel and Taylor McIntosh. If you have a suggestion please email sefha1@gmail.com.

Office elections will be held at our April Monthly meeting. Nominations were made at this month's meeting.
