Instead of conducting a Cowboy Competition, several members requested that we have another Clinic for everyone to come together and help one another learn new horse tips. It was voted on and agreed to have the "Hands on Learning Clinic" on November 5, 2016 at Tuggle Farm at 10:00 AM where we will enjoy lunch and fellowship to follow.

Pastor John Singer will be riding two horses from Texas to Washington DC to bring attention to the loss of God in our Nation. He will be stopping in Danville, VA on October 30. Anyone who wants to ride to support his cause is welcome to join in at Tuggle Farm at 7:00 AM on October 31, 2016.

SEFHA will be joining in on the Christmas Parade again this year in Chatham, VA. You are welcome to ride your horse, walk or ride in the truck where we will display our SEFHA banner.
